CHANGES CHANGES CHANGES CHANGES CHANGES CHANGES

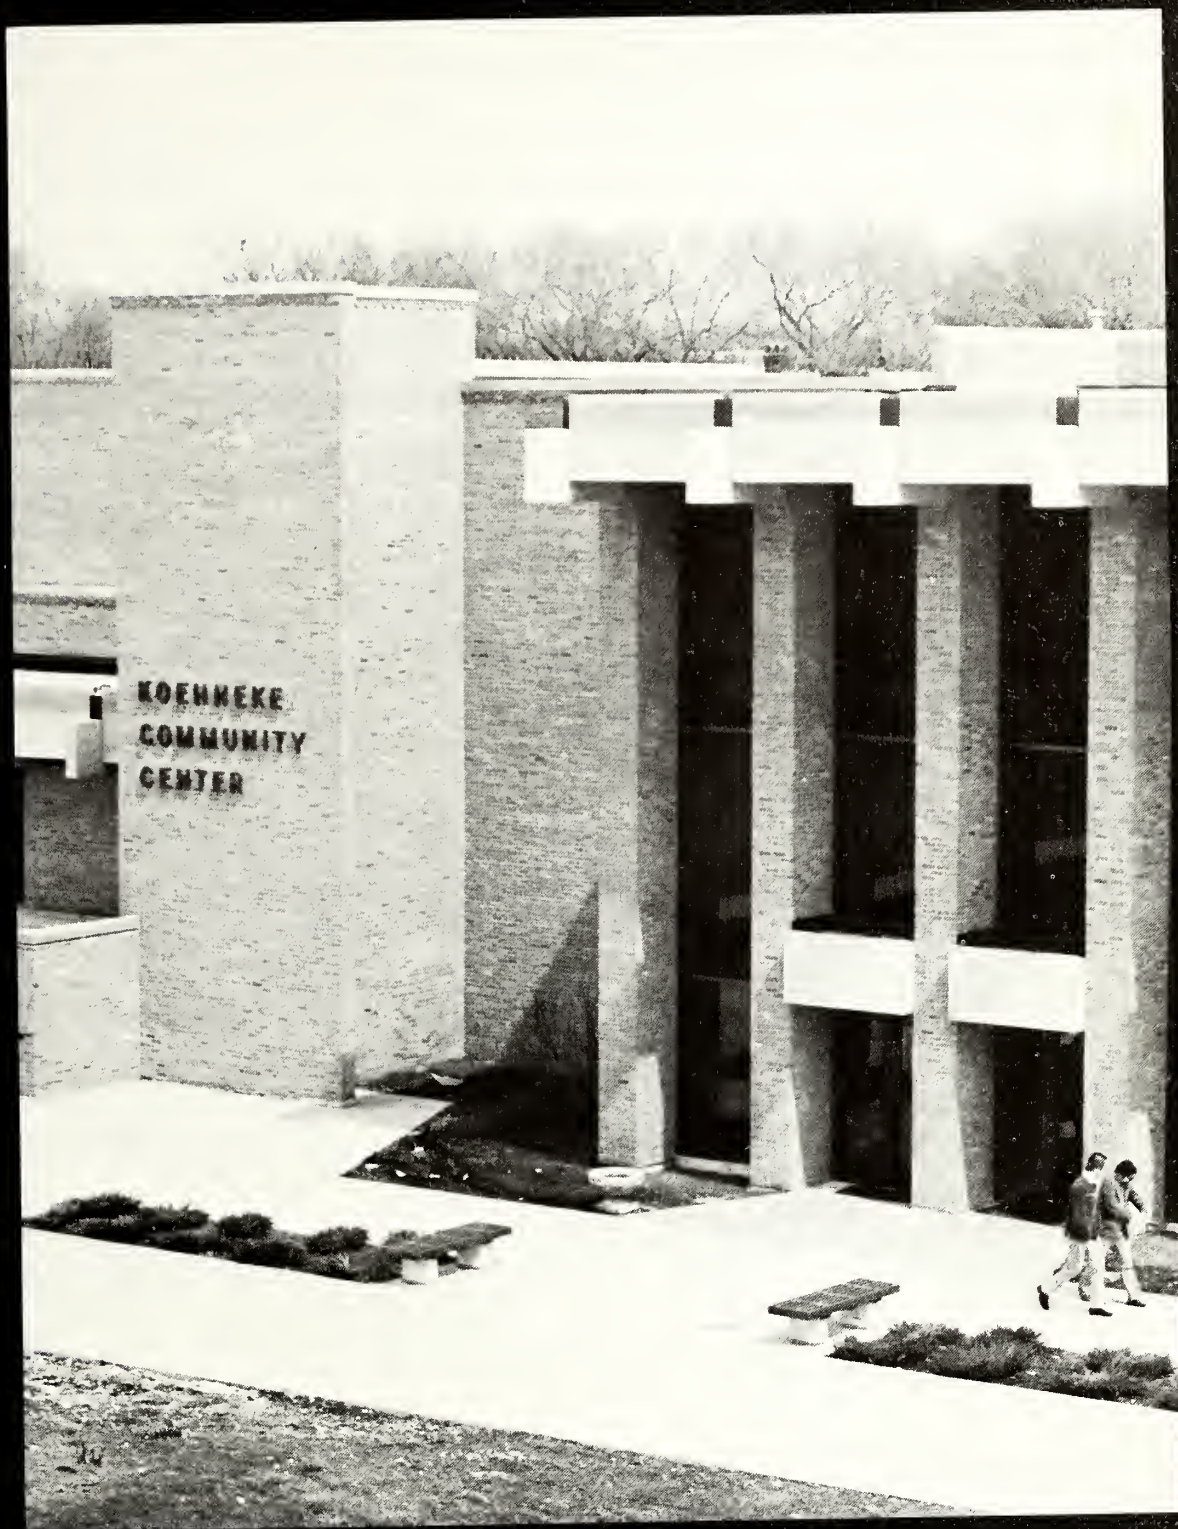

Changes build through time —
not only in buildings, but also
in people

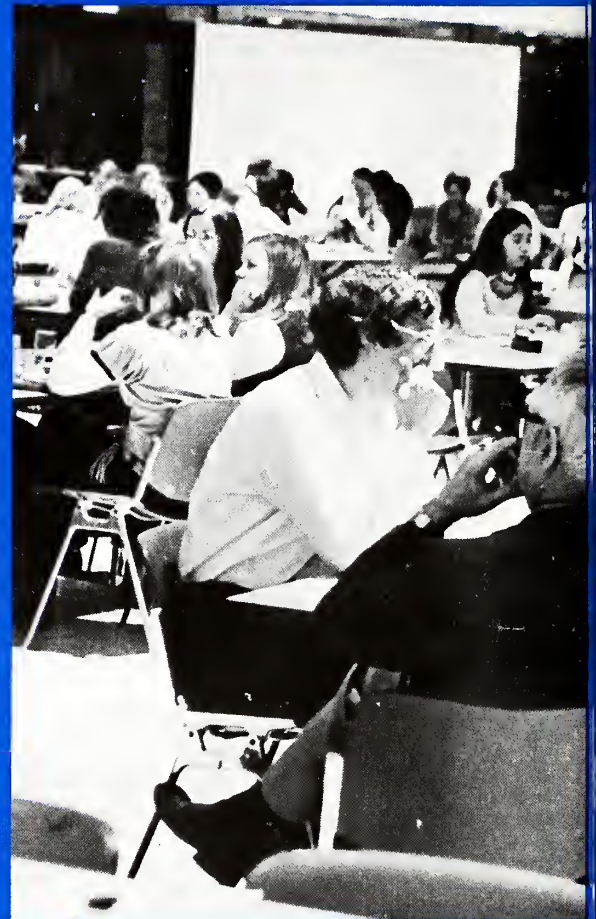

The cold concrete is laid down
Some of the steps are missing
It's growing, it's growing to be —
Something — not just anything
The shrubs have a future.

People are growing and seeking.
Some of their steps are completed
They're changing, they're changing into —
Someone — not just anyone
They have a future to build upon.

Dedication

Waldemar W. Affeldt

This year the Pillars is being dedicated to Dr. Waldemar W. Affeldt. On December 27, 1972, Dr. Affeldt was called to his eternal rest, but not before he made significant contributions to our Concordia campus. In 1958, Dr. Affeldt joined the Concordia faculty. Besides teaching in the field of education, he served over the years in a variety of administrative positions, including the coordinator of student activities, director of internship, acting dean of students, dean of administration, the coordinator of the secondary program, director of financial aids and chairman of the education-psychology division. He was chosen to serve as the chairman of the faculty committee on the selection of a new president. However, Dr. Affeldt is perhaps best known for his work as director of placement.

Changes IV

Don't you feel a change a comin'
From another side of time
Breaking down the walls of silence
Lifting shadows from your mind
Placing back the missing mirrors
That before you couldn't find
Filling mysteries of emptiness
That yesterday left behind

And we all know it's better
Yesterday has past
Now let's all start livin'
For the one that's going to last
Yes we all know it's better
Yesterday has past
Now let's all start livin'
For the one that's going to last

Don't you feel the day is coming
That will stay and remain
When your children see the answers
That you saw the same
When the clouds have all gone
There will be no more rain
And the beauty of all things is uncovered again

And we all know it's better
Yesterday has past
Now let's all start livin'
For the one that's going to last
Yes we all know it's better
Yesterday has past
Now let's all start livin'
For the one that's going to last

Don't you feel the day is comin'
And it won't be too soon
When the people of the world
Can all live in one room
When we shake off the ancient
The ancient chains of our tombs
We will all be born again
Of the eternal womb

And we all know it's better
Yesterday has past
Now let's all start livin'
For the one that's going to last
Yes we all know it's better
Yesterday has past
Now let's all start livin'
For the one that's going to last

From the bright illumination of familiarity,
to the darkness of loneliness . . .
A face is dropped into the pool of many faces.
Face meets face in the confines of reality
and each one shares, loves, grows and . . .
the darkness of loneliness is pierced by the dim,
yet growing light of belonging.
Time passes and the light of familiarity glows brighter.
Experience bonds face to face, mind to mind, life to life
and as the sun, the world bursts into the glowing warmth of life.

Four years have past
 Years of Good times
 and a few Bad
 But our hope is in the future
 May the Lord bless us and keep us

Memorial —

Slumber softly into sleep —
 A new world unfolds —
 Experience the mysteries untold —

Forever "is" forever —
 The mind is naive of trouble —
 The soul filters the
 dauntless horizon.

Our faculty and administration — familiar faces to us
Behind these faces are dedicated men and women
Representing all areas of education
A day's work might include a lecture,
studying for a presentation, insurmountable paperwork,
making up that important exam and so on,
but no matter what the day's activities include
that professor or administrator also takes the time
for you — the students — and gives assistance
whenever and however he can.

Faculty and Administration

Acting President Carl F. Halter

Tribute to Dr. Waldemar W. Affeldt

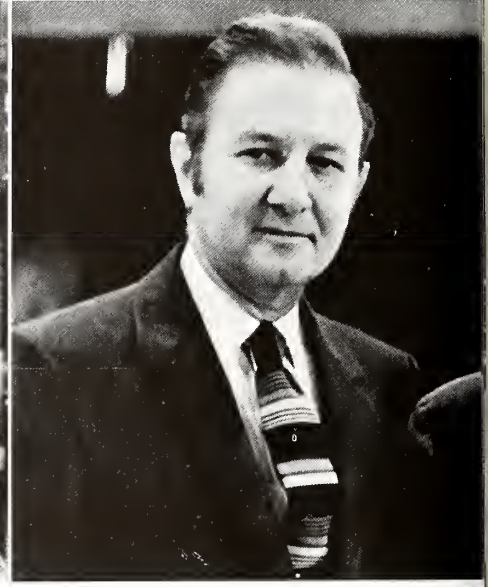

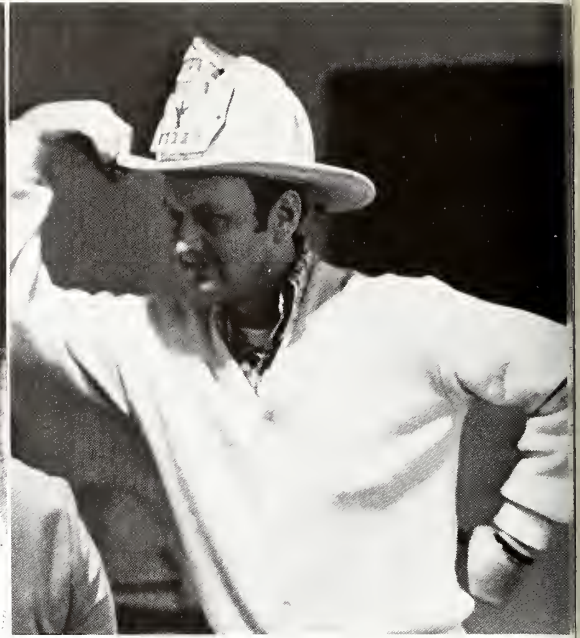

In tribute to Dr. Waldemar W. Affeldt the 1973 Pillars Staff chose to dedicate the Pillars to the man for his great work and devotion to our campus. The theme "Change" seems to befit Dr. A. and his work with the students. As Director of Placement, he acted to change the lives of hundreds of CTC students. As an educator, he also served to change the student's outlooks and attitudes. Professor Kenneth R. Schueler, fellow faculty member and close friend of Dr. Affeldt, has written the following poem in tribute to Dr. Affeldt.

Waldemar W. Affeldt, PH. D.
- Change and decay — is that all there is? really?
Wally Affeldt would not agree.
He would not agree, not because he was difficult,
but because he was different.
Man he was — all man — solid, rooted to the realities of the earth —
a man of his time. In fifty-eight years of living, he was
exposed to the full range of changes of his generation. He
understood what it means to live in the moment before God.
Not only did he endure.
He overcame.
For he had got his dying out of the way through
Baptism into the Cross. In the same event he
had experienced resurrection.
He was different because he was free to live — and live he did.
He gave his life away. Why not? He was God's gift, and gifts
are for giving — joyously — no strings attached — recklessly.
Wally changed people with his gift. That kind of gift keeps on giving.
That is why we celebrate the event of Wally Affeldt.
Now he celebrates eternally the biggest change of all.
Out of darkness shall come light. Out of winter shall come spring.
Out of striving shall come peace. Out of death shall come life.
Not by our power, but by the power of our God!

THANK YOU, WALLY, FOR YOUR GIFT.

Together, we make the happiness that fills the sky,
As our laughter illuminates and expands our being.
Arm in arm, we bind people to people,
And the mind-created facades of difference fall.
Together, the laughter of life moves upon us,
And the soul smiles at the world.
Life cries out to draw us to fullness,
And together, we answer by living and creating . . . good times.

Orientation Week

Orientation Week this year was marked by the presence of changes. Concordia had a new acting President, the Community Center was near completion, and 63 Lutheran General nurses were enrolled for a year of classes and campus life. The week began with the arrival on Tuesday of freshman and transfer students. Activities of the week included Candid Concordia, a mock fire drill, Freshman Camp, and Beany week.

Homecoming

Concordia changed its style of life one weekend by thrusting us back into the days of the "Wild Wild West," this year's Homecoming theme. The festivities began with the crowning of Queen Concordia, Miss Juli Ziegel, of Fort Wayne Ind. Saturday saw a cougar victory over Iowa Wesleyan, and a fine concert by the Association that evening. A folk service Sunday morning at Grace church brought to close a beautiful weekend.

Koehneke Community Center

Center Dedicated

On October 21, 1972 the dedication service was held for the Koehneke Community Center. Dr. Mortin Luther Koehneke was being honored for his eighteen years of distinguished service to the college during his tenure as the president. Under his direction Concordia saw many changes. Five new buildings were added, the eighty-acre North Riverside campus was annexed, the faculty was enlarged, the curriculum was revised, the graduate program was initiated, and the correspondence program was extended. Dr. Koehneke resigned this past June to become vice-president and director of Fraternal Affairs for the Aid Association for Lutherans.

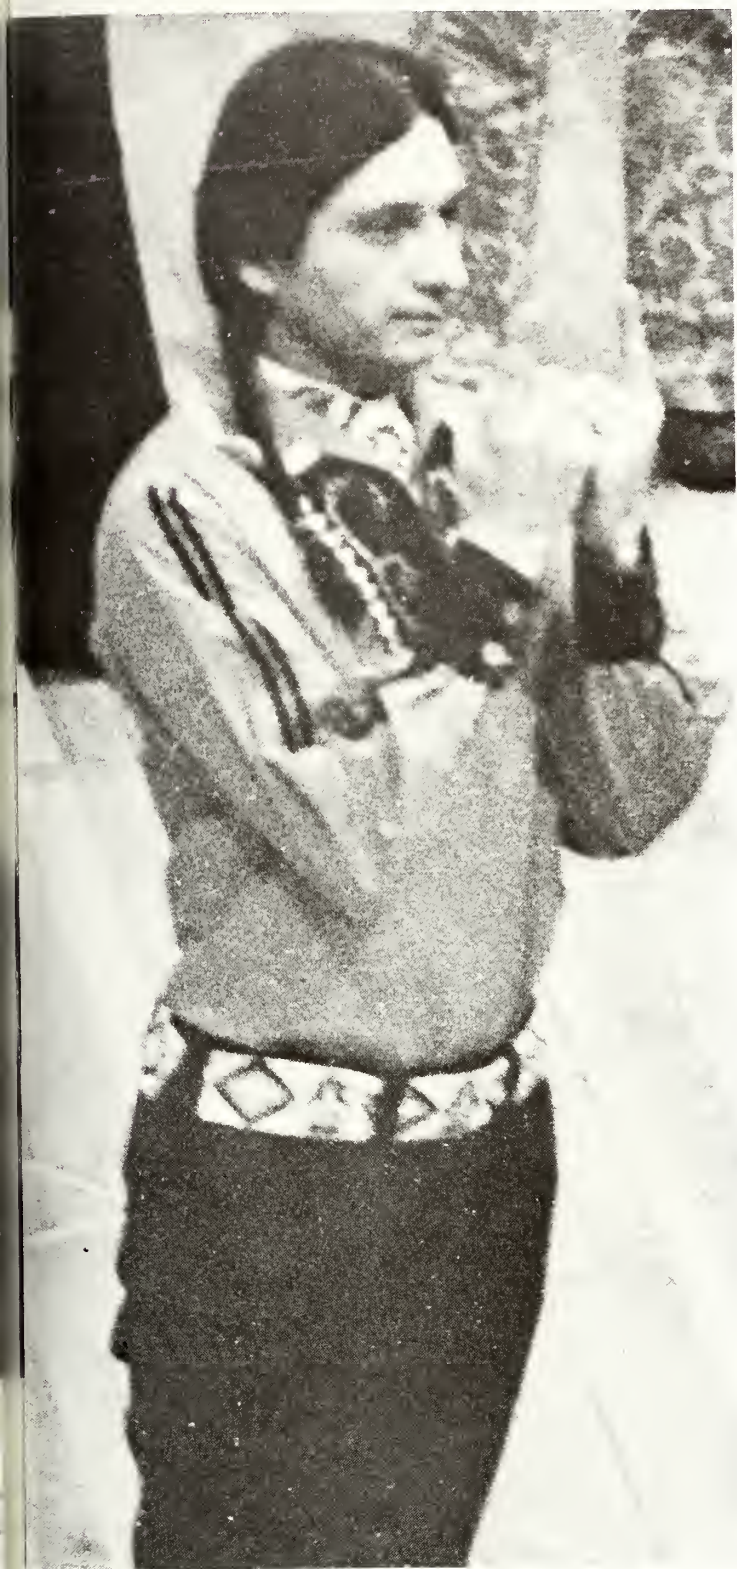

Parent's Weekend

Concordia's theme for Parents Weekend was "Home is where the Heart is." Activities include Concordia Forum, a football game against the Corn Huskers of Seward, and a talent show where the folks got an inside look at Concordia antics. The weekend ended with a family service at Grace church Sunday morning.

American Indian Week

The week of January 8-12 was when members of the White Roots of Peace visited the Concordia campus with a program of film festivals, an American Indian Dinner, dances and exhibitions of Indian photographs, crafts, and paintings. They also visited classes during the day to offer an Indian viewpoint in areas such as sociology, history, theology, and others.

Reverse Weekend

Highlights of this years Reverse Weekend were the Donkey Basketball game, won by the student team with the fantastic score of 2 to 0, on Friday evening. Saturday was a Cougar Basketball game followed by a dance featuring the "Happy Day." Sunday rounded out the weekend with a double concert featuring "Alliotta, Haynes, and Jerimiah," and Megan Mc Donough.

Call Night — May 4, 1973

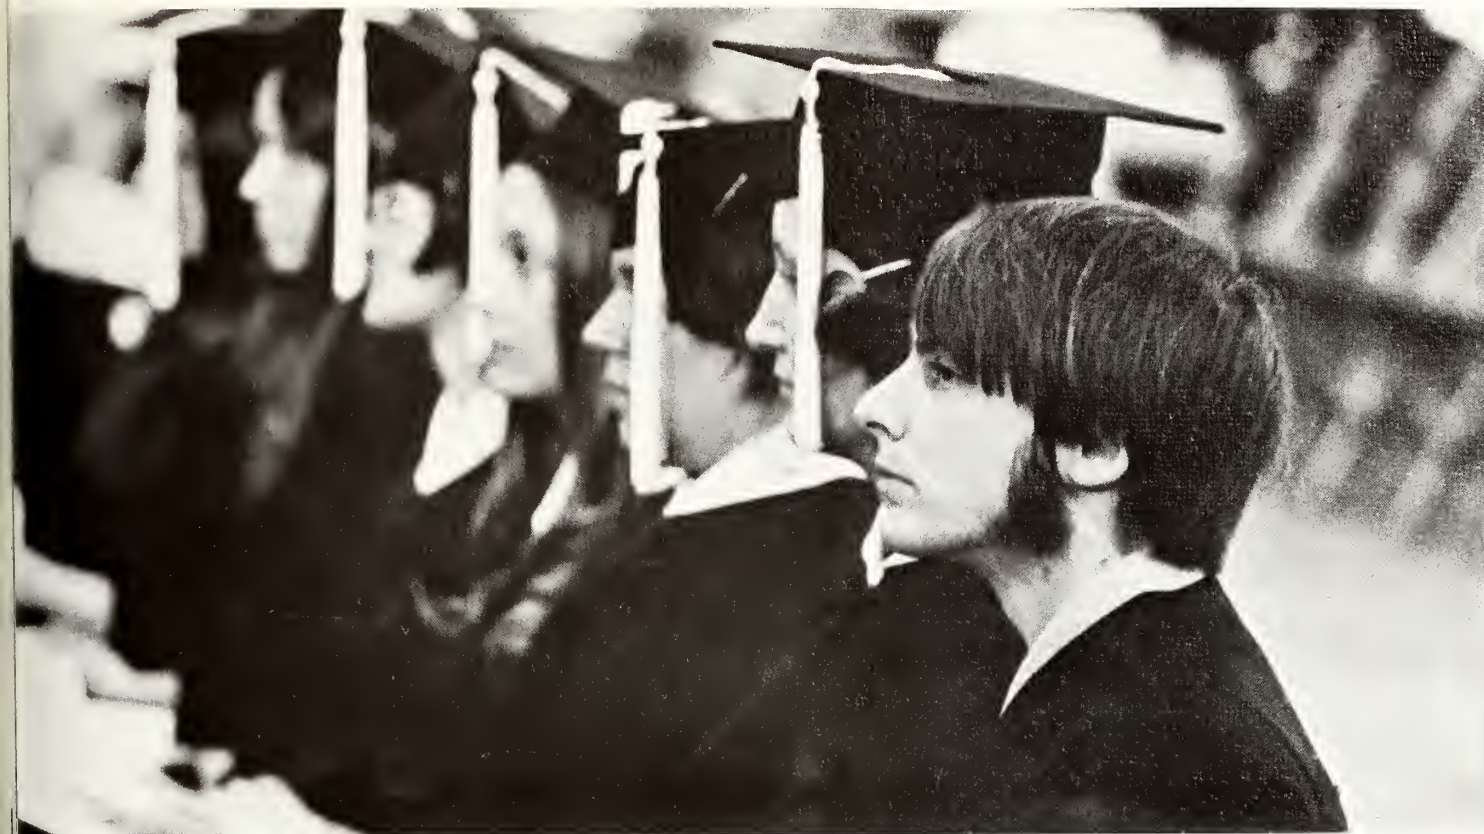

On May 4, 1973, the graduating class of 1973 received their calls. Traditionally, this is a night of anticipation, tension, smiles and tears. It was an especially joyous night for those graduates that received calls. However, there was also a sense of disappointment in the air for those that had not received their calls for this night. The disappointment will not last for too long because calls continue to come in to Concordia during the summer months. In this sense, the night was also one of hope.

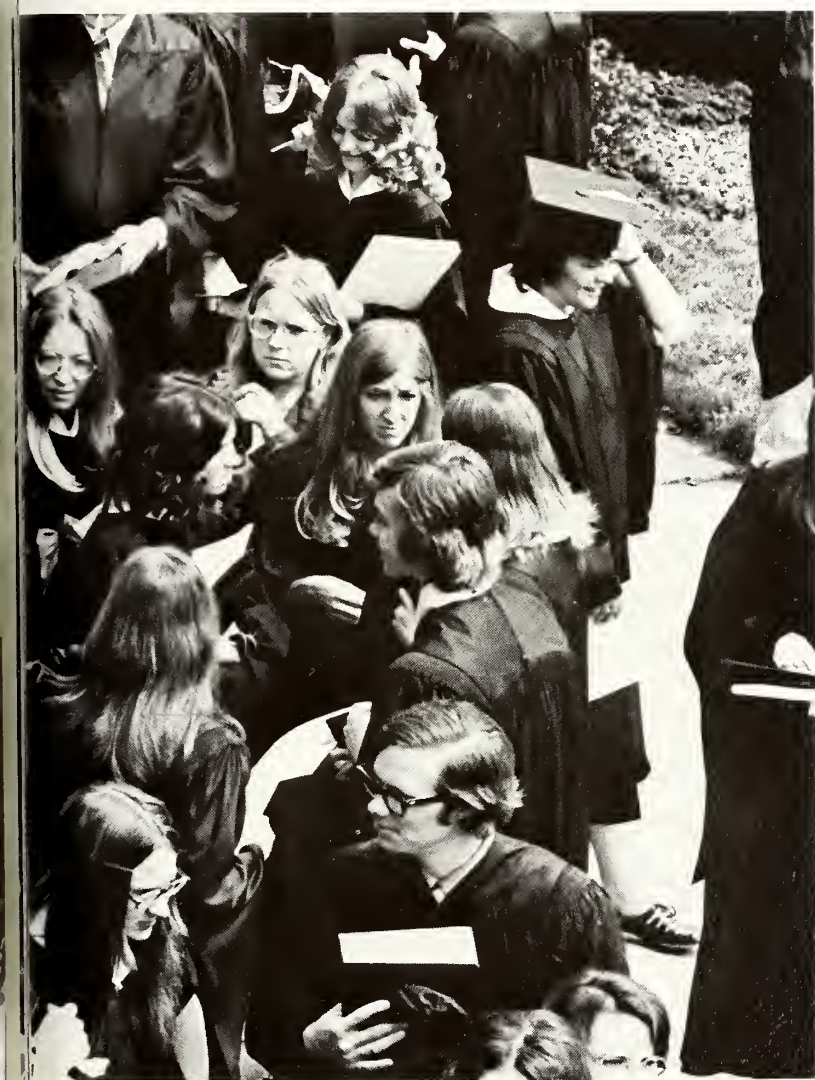

Graduation — Dreams change to reality

On May 24, 1973 Concordia's Seniors finally saw a dream of four long years become a reality. The culminating point of the day was the distribution of degrees. Parents, relatives, and friends came to see the seniors receive their degrees. The speaker at the graduation ceremonies was Dr. Melvin Kieschnick.

Alone, we live in a void, as unfinished beings,
Afraid to venture forth . . . afraid to grow.
In communion with one another, we move to fullness —
A whole being . . . a complete person.
Together we can ignite the spark of love which when conceived
Will spread to melt the icy edges of mere existence.
Together life is a growth of self and of each other —
As people move from what they have been — to what they can be.

Concordia could not exist without identity, a way looking at itself. Sometimes Spectator has sketched painfully ugly portrait. Other times it was able spark enthusiasm and pride. But always Specy has been a struggling endeavor: filled with error or judgement, never quite good enough to suit each conception of what it would have been. Therein, and it's triumph. It struggles. It is never perfect. Yet, goes on. Frail identity though it may be, Concordia has one.

Chapel Choir

Chapel Choir has as its main purpose, the enrichment of chapel services on campus. To accomplish this, the choir met three times a week, preparing anthems, settings of psalms, and for Lent, Dr. Hillert's setting of the Passion According to St. John. Besides their regular participation in chapel, the choir also took part in the Bach cantata series at Grace Church, singing both cantatas and motets.

Director of Chapel Choir and College Chorus — Professor Carl Scholk

College Chorus

Under the direction of Professor Carl Schalk, this year's College Chorus again presented two concerts. The first of them, which was held just prior to the Christmas recess, featured two works entitled Glorio, one by Vivaldi, the other by Poulenc. The Spring Concert program consisted of the Mass in A by J.S. Bach, and Five Mystical Songs and Benedicite, both by Ralph Vaughan Williams. The 120 members of the choir were joined by soloists and an orchestra for their concerts. Decorations, such as bonners and mock stained glass windows, were made by members of the group to enrich their musical presentation of God's Word.

Kapelle

For the 62 members of Kapelle, the year provided three special opportunities to share God and His Word with people outside the college community as well as those on campus. The first of these was the home concert which was given to about 1800 people in Chicago's Orchestra Hall, as part of the Northern Illinois' District's observance of Synod's 125th anniversary. The next project was cutting a record of Christmas music for sale on the commercial market. Finally, the choir, as in previous years, went on tour in the spring. This year's travels took them to the East Coast with stops in Michigan, New York, New Jersey, Maryland, Ohio, and Indiana.

Natari

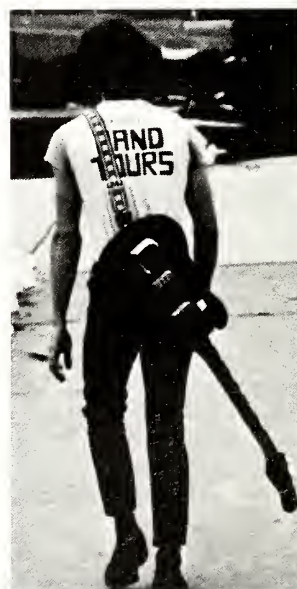

Natari became "Nature's Kaleidoscope" for CTC and the community in their annual water show. The members portrayed spiders, ladybugs, monkeys, the butterfly and other aspects of nature through water ballet, synchronized swimming, and diving. The officers of the organization are Joanne Carr, president, Sue Willie, vice-president, and Carla Holstein, secretary-treasurer. The members this year are Luther Bajus, Karen Brenne, Bonnie Borchert, Jim Craven, Beth Erk, Paul Herzog, Barb Huehn, Bob Lipka, Diane Rosenfelder, John Schnack, Karen Thomson, and Carol Watson. The group was advised by Miss Lois Klatt.

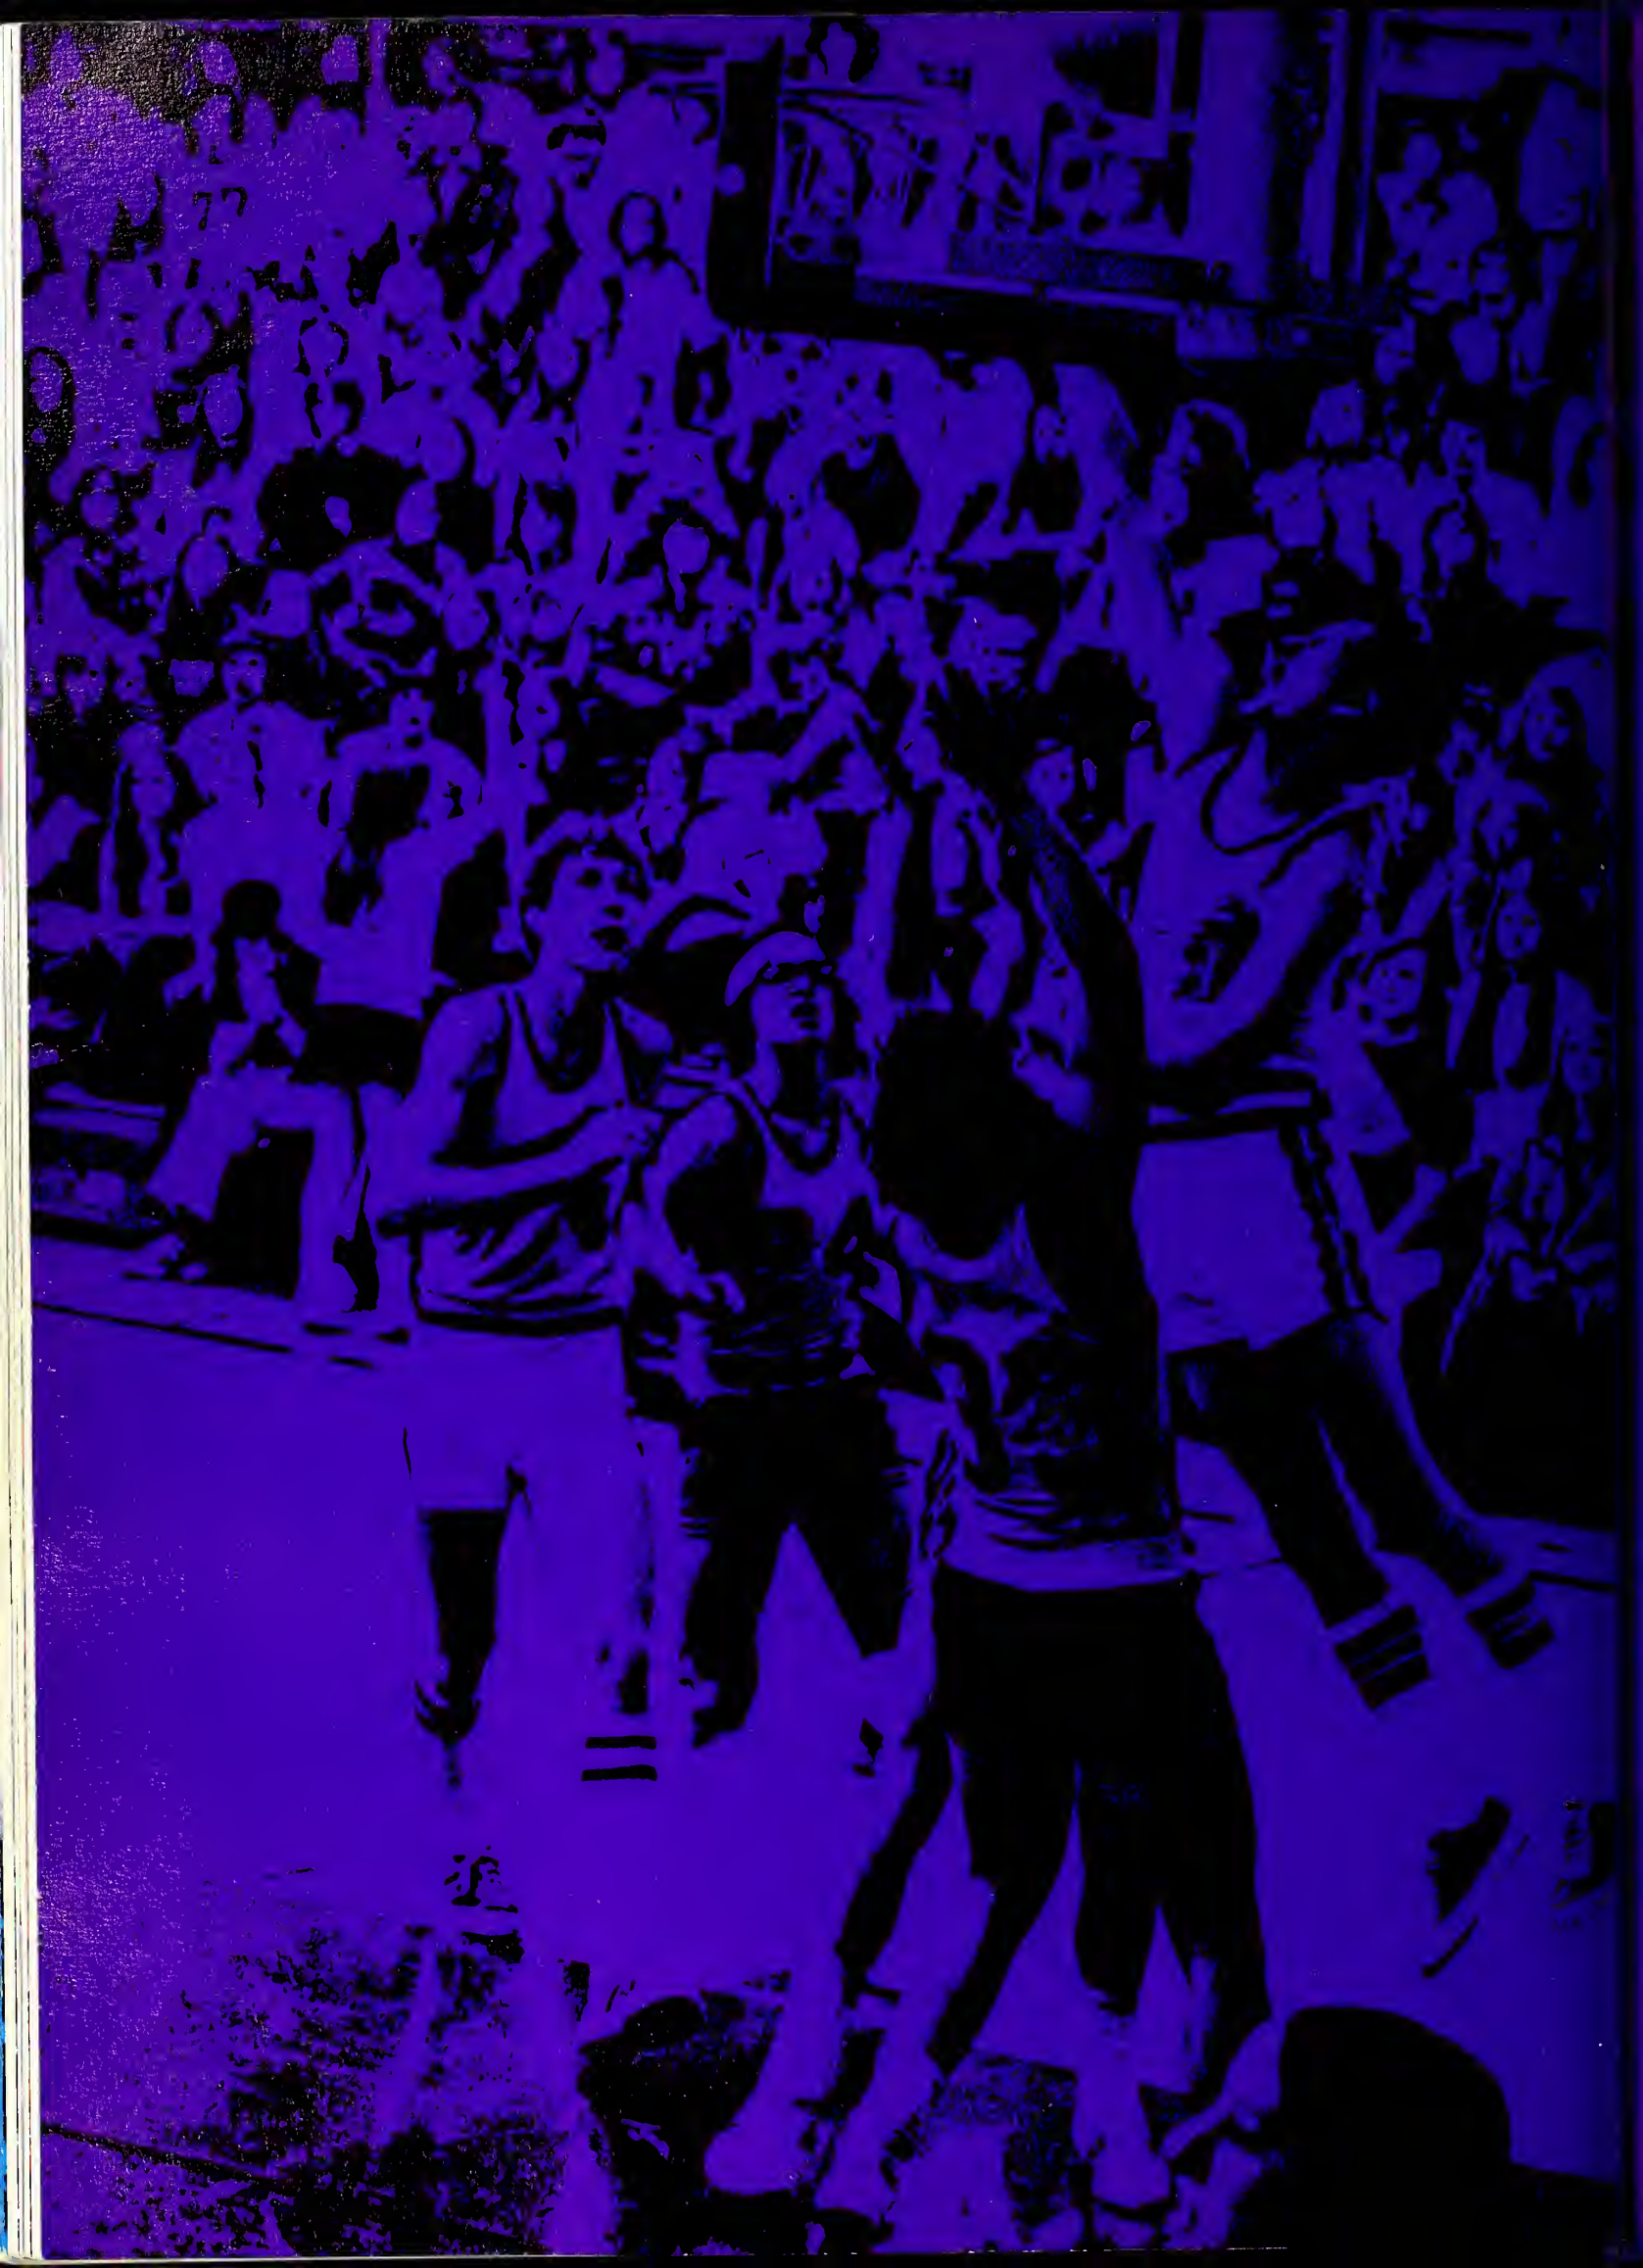

Concert Band

Our wandering minstrels of happiness, our very own champagne music makers, our one and only big time sound, move over Benny Goodman, move over Leonard Bernstein, move over Lawrence Welk and make room for the Concordia Concert Band — directed by none other than our own Roger C. Gard. With quite a combination of talent, this year's band was one of the greatest sounding one's ever. However, it was not only talent that made the band great, but also the mixture of personalities and Christian brotherhood among both the members of the band and their director. The band had a very successful and memorable band tour this year. Both the members of the band and the students of Concordia were very happy when Prof. Gard decided to stay on as Concordia's band director. Now we will continue to hear that big time sound from our favorite band.

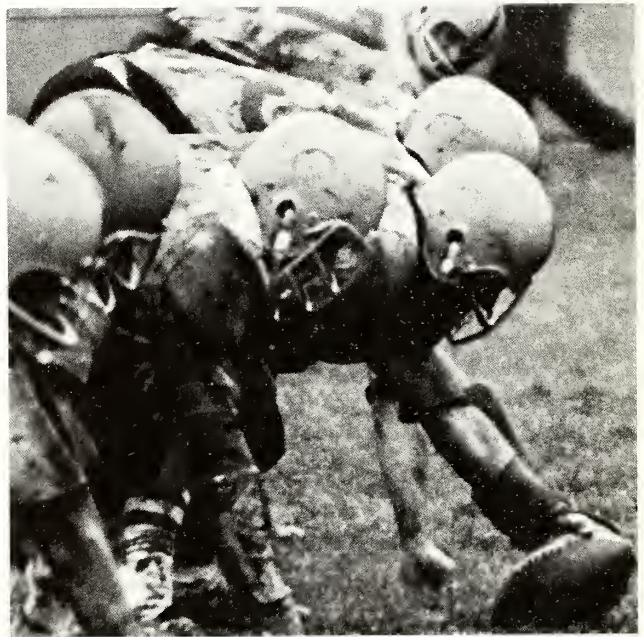

That's the spirit — pull together
We're a team and we are No. 1.
Make that basket, kick the field goal
Altogether and we've won.
Cheer your team and stand behind them
Feel that winning spirit soar
All it takes is just some teamwork
Victory's knocking at our door.

The girls with cougar power — our cheerleaders. Neither rain nor snow nor sleet can dampen the spirit these girls have for our team. It takes quite a bit of physical stamina and an equal amount of voice power to lead a crowd of Concordia students in cheering for a victory. Our girls provide us with just that talent.

Bowling

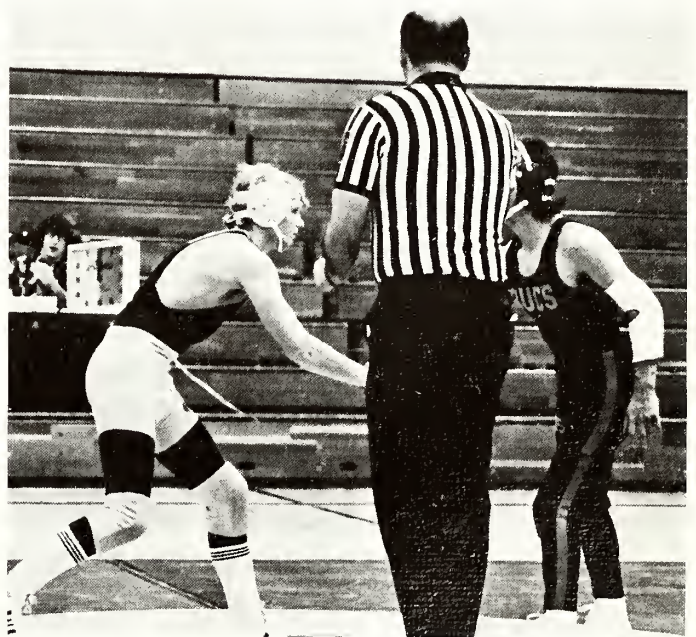

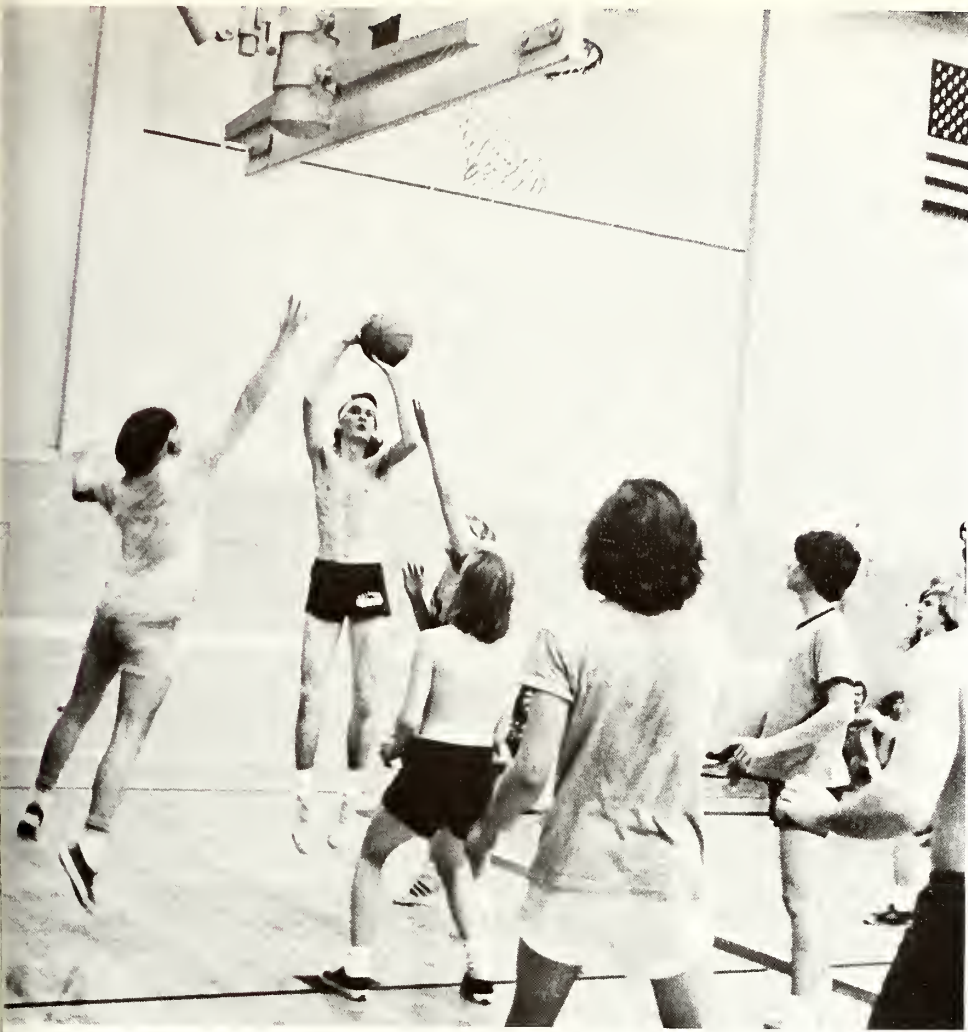

Something you do not hear about too often in Concordia's sport news is our bowling team. Here we see Jack Giles, Jim Oestreich, and Terry Olsen chalking up a few strikes for us at the C.I.T. games. The guys played various other games too. Perhaps next year the bowlers of Concordia will unite and we will have an even bigger team to carry home the trophies.

J.V. Cheerleaders

The second group of spirit boosters for our Junior Varsity teams is the J.V. cheerleaders. They lead the crowds at the J.V. games in hearty cheers for victory. Among the members are Debbie Crosby, Betty Hamilton and Ruth Hansen.

Pom Pon Squad

The third group of spirit boosters is our Pom Pon squad. The Pom Pon squad performs at half time during the football and basketball games. Their performance consists of rhythmic dance steps in time to music played by the Pep Band or from popular recordings. Some of the members are: Eileen Schmidt, Kay Schlehlein, Debbie Behrman, Corrine Kufeldt, Ginny Scheller, Nan Carey, Cindi Gabel, and Janice Seaver.

Kitten Basketball

Basketball is definitely not a man's sport alone, as our Concordia Kitten team has proved it. The team has quite a bit of spirit, momentum, physical endurance and talent. Miss Klatt, as coach, has turned the girls into quite a competitive team. The team even competed in the Illinois State Basketball Tournament, which was quite an honor for the Kittens.

Field Hockey

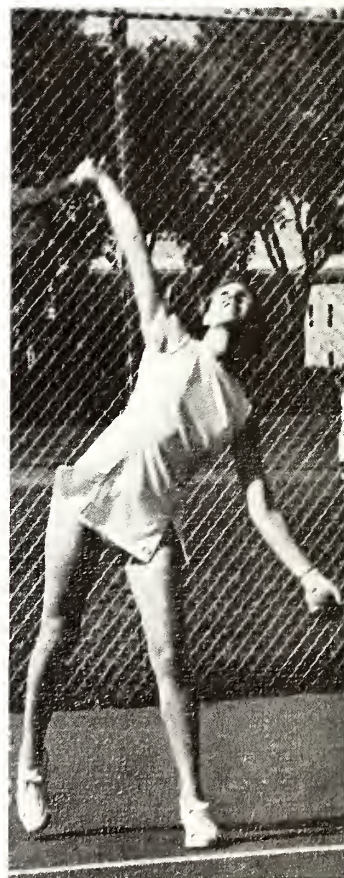

Field Hockey is quite a grueling sport, but not for the Kittens. Not many students know about the field hockey games, but they should stop by the field one afternoon to see what the game is like. The sport is not easy and it requires vigorous training by the girls before the games. Coach Kretzschmar gets the girls into training and into the spirit for victory.

Editor's Note

I want to express my sincere thanks to the following people for all their support and help in preparing this yearbook and in helping me meet those ever-present deadlines. Thanks to the following: Randy Sch-nock, for always having the keys to the KCC when I needed them (quite Often), Joan Avey, for always hoving a calm and steady hond when mine was not so calm ond steady; Jerry Elmore, for his perpetual patience and keen mind in trying to understand just whot I wanted — even when I didn't know what I wanted; Mr. Milas, for printing pictures for the book on very short notice — say 5 hours; Doris Ove, for typing my epistles in the Doily Bulletin and helping track down misc. odds ond ends; to all the photographers, for helping me get a vertical shot of a horizontal building and for all those-long hours in the dorkroom producing first and, of course, those second string pictures; to Laurie S., Debbie M., Lindo B., and any other individuols that helped put all the pieces together, and finally to the staff, for all their time and effort so I could finally coll this book — FINISHED!

Sue Streich

And we all know
it's better
that yesterday
has past —
so let's all start
living
for the One that's
going to last.
